

Charlotte Singleton per Mellish 1830 - ID 9002

To The Right Honourable Robert Peel MP Secretary of State for the Home Department

The humble Petition of CHARLOTTE SINGLETON now a prisoner in His Majesty's gaol at Newgate.

Humbly Sheweth

That the Petitioner is now under sentence of transportation for seven years, having been convicted at the Old bailey Sessions in the month of January last, for unlawfully taking some property from her parents, and knowing the same, that Petitioner under the deepest feelings of contrition for her offence, and humbly representing it has been the first of this nature, most humbly and earnestly supplicates, that your Honour may be pleased to direct, that Petitioner may not be sent out of this country, but be allowed to expiate her crime within the solitary walls of the Penitentiary, from which Petitioner may return to society, reformed by penitence and confession in honest and industrious habits.

And Petitioner as in duty bound will ever pray.
